

Industrial Internship Report Format

1. The report should be submitted as a pdf file, studentID.pdf, to the Industrial Internship Coordinator at DA-IICT (cii@daiict.ac.in) by 13th July.
2. The first page should consist of information regarding the student, industry, supervisor and duration of the internship.
3. Students should write in brief about:
 - a. the industry unit where the internship was performed;
 - b. ICT related issues analysed during the internship; and
 - c. learning and experience about - how ICT is used in carrying out industrial operations and - how what is learnt in the classroom/labs is related to how things work in industrial environment, etc.
4. The report (all inclusive) should not exceed four A4 size pages. The text should be in 12pt font.
