Student Portal

After login into student portal, go to Semester Registration: <https://login.dau.ac.in>

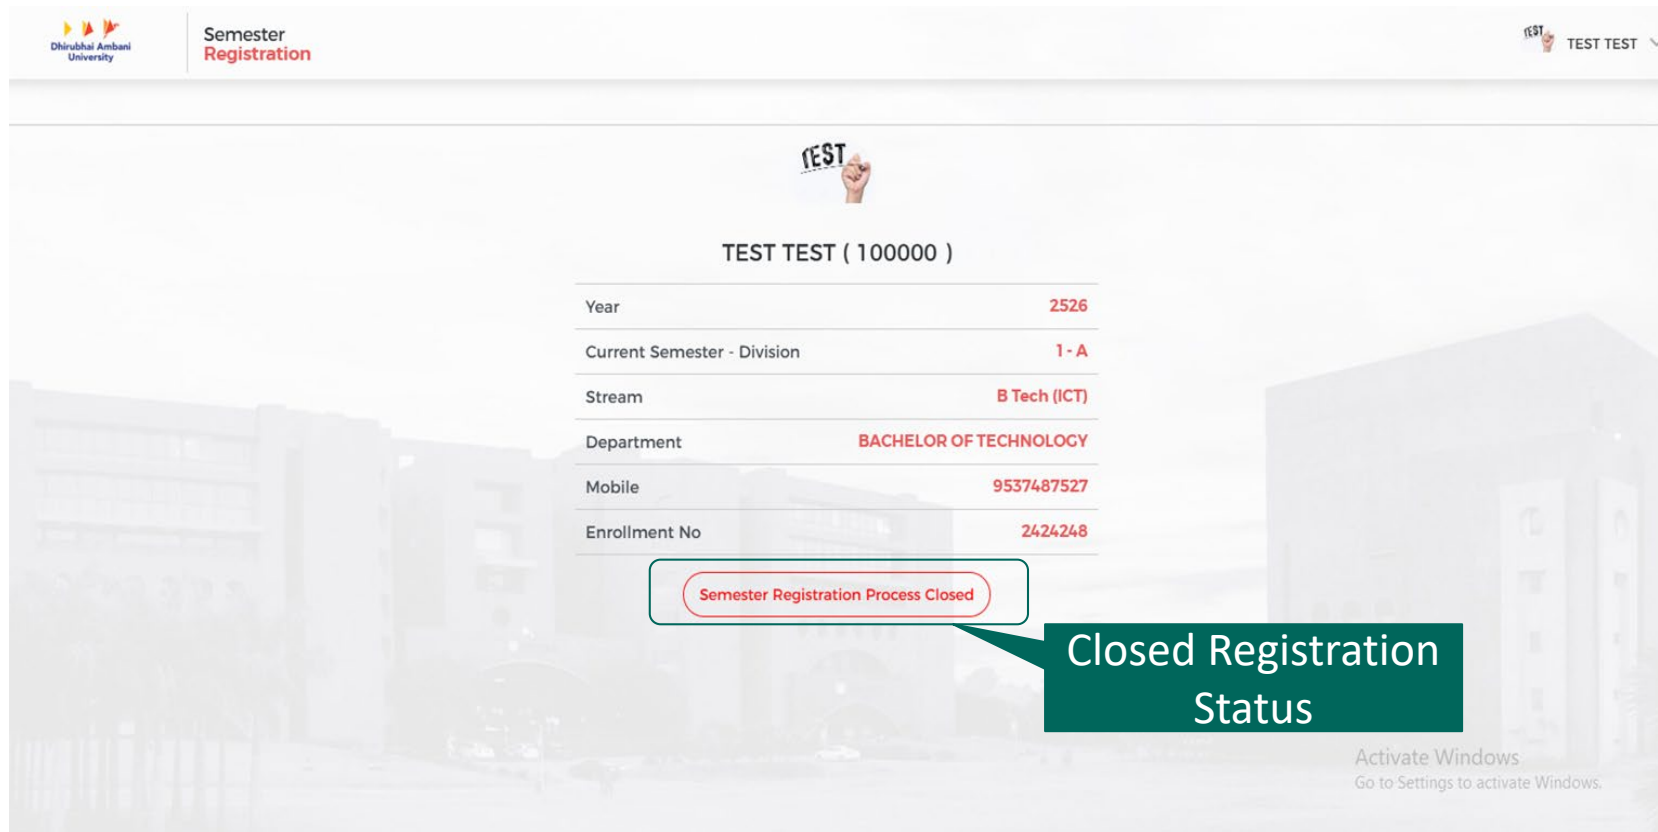

Click here

Registration Process Status → Closed

After clicking to Semester Registration, Student Details will be displayed. The button will show current status of Semester Registration Process.

- Semester Registration Process Status will show as:
Closed → If the registration is not opened or time is over.

The screenshot displays the 'Semester Registration' interface for Dhirubhai Ambani University. The page header includes the university logo and a 'TEST TEST' dropdown menu. The main content area features a 'TEST TEST (100000)' header and a table of student details. A red-bordered box highlights the message 'Semester Registration Process Closed', which is also pointed to by a green callout box labeled 'Closed Registration Status'. The background shows a faint image of a university building.

TEST TEST (100000)	
Year	2526
Current Semester - Division	1 - A
Stream	B Tech (ICT)
Department	BACHELOR OF TECHNOLOGY
Mobile	9537487527
Enrollment No	2424248

Semester Registration Process Closed

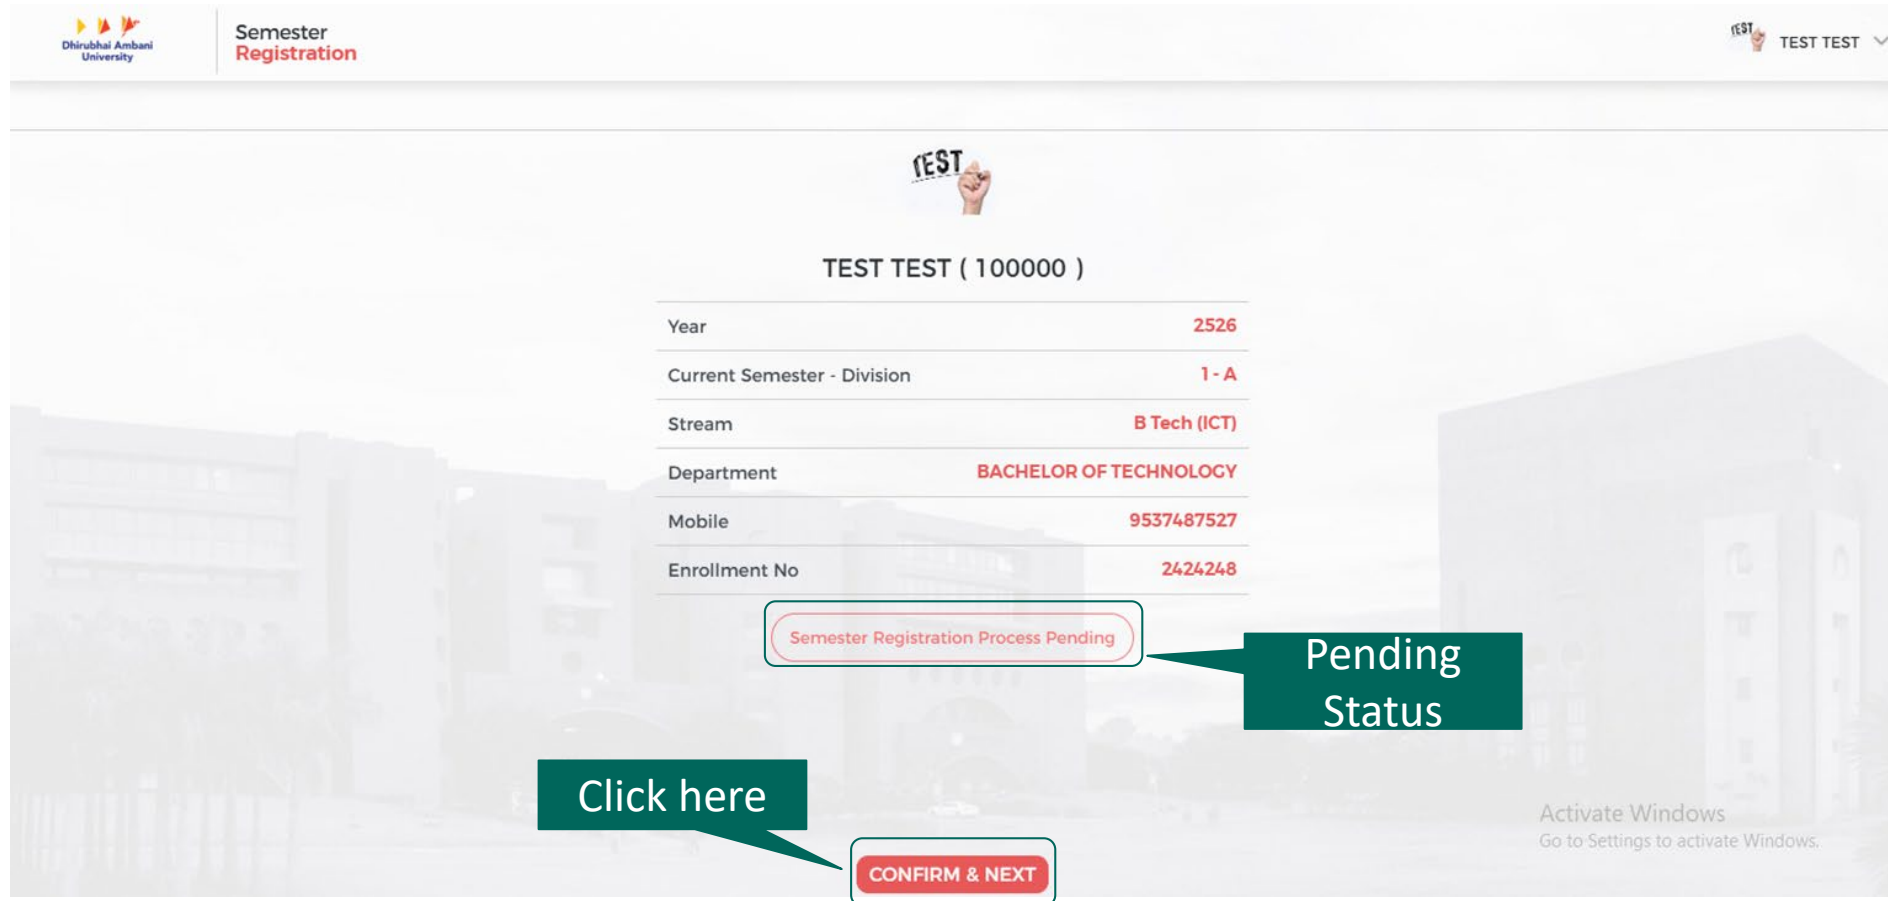

Closed Registration Status

Activate Windows
Go to Settings to activate Windows.

Registration Process Status → Pending

Registration Process Status:

- **Pending** → If the registration is open and you have not yet completed registration.
- **Successfully Completed** → If you have already completed all the steps for the registration.

The screenshot shows the 'Semester Registration' page for Dhirubhai Ambani University. The page displays a user profile with the following details:

TEST TEST (100000)	
Year	2526
Current Semester - Division	1 - A
Stream	B Tech (ICT)
Department	BACHELOR OF TECHNOLOGY
Mobile	9537487527
Enrollment No	2424248

Below the table, a red-bordered box contains the text 'Semester Registration Process Pending'. A green callout bubble points to this box with the text 'Pending Status'. At the bottom of the page, a red button labeled 'CONFIRM & NEXT' is highlighted with a green callout bubble that says 'Click here'. The background of the page shows a blurred image of a university building.

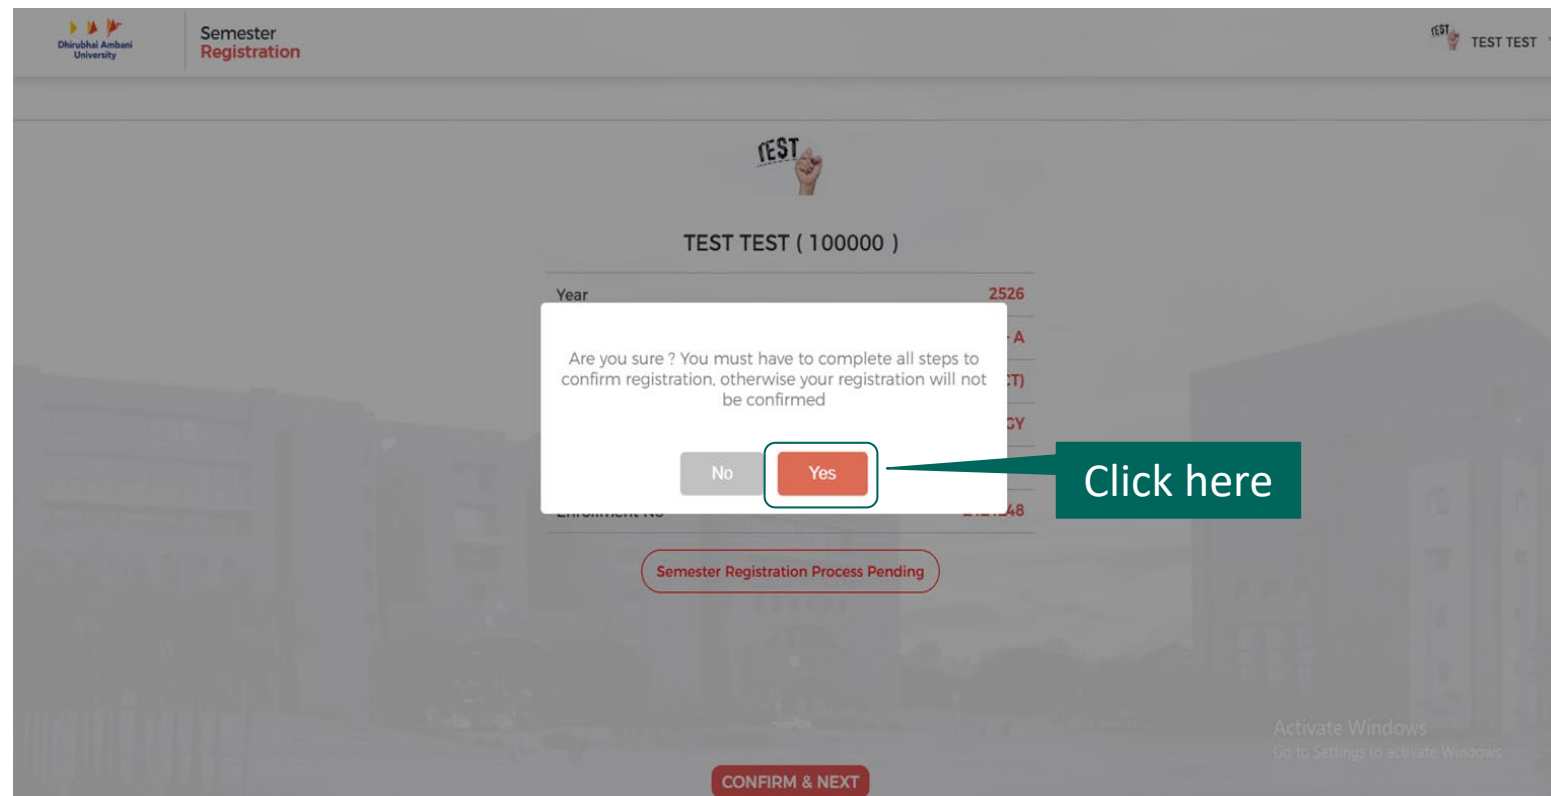

Activate Windows
Go to Settings to activate Windows.

Registration Process Start

After clicking Confirm and Next, a confirmation box will appear.

Are you sure? You must have to complete all steps to confirm registration, otherwise your registration will not be confirmed

Warning: Once you start registration by clicking Yes, the student must complete all required steps and click on “FINAL SUBMIT” button to complete the registration.

Core (Mandatory) Courses (subjects)

- You will see a list of **Core (Mandatory) Courses (subjects)**. These subjects are **auto-assigned** and cannot be changed. Review the list and click **“CONFIRM & NEXT.”**

Editing or Updating a Slot and Course (subject) Selection

After clicking **Confirm and Next** in any step, if you want to edit a slot or subject before pressing the final **Submit** button, you must jump to the specific step and click the **EDIT** button. This will open the edit mode for that step, allowing you to change your slot or subject. Once edited, click **Confirm and Next** again.

Please note: if you make changes to any step in between, all the following steps will be reset. You will then need to reselect and complete all the subsequent steps again.

The image shows a user interface for selecting and editing course slots. It consists of two side-by-side panels, each displaying a table of course selections. Below the panels are two buttons: 'EDIT' and 'CONFIRM & NEXT'. A green arrow points to the 'EDIT' button with the text 'Click to edit'.

Left Panel (Selected Courses):

Code	Name	Category	Credit
IE402	Optimization	ICT & Technical Elective	4
SC406	FINANCIAL MARKETS	Science Elective	3
IT405	INFORMATION VISUALIZATION AND ANALYSIS	Technical Elective	4

Right Panel (Course List):

Student Requirement

- After submitting the slot preference, the student requirements will be displayed for the semester.
- Students must enter their requirements for each subject category as per the Academic Requirements.
- The list of subject categories will appear here based on the subjects selected in the previous steps, along with the count of subjects.

The screenshot displays the 'Semester Registration' interface for Dhirubhai Ambani University. The navigation bar at the top includes six steps: 1 Basic I..., 2 Progra..., 3 Audit ..., 4 Slot Pr..., 5 Subject Requirement (highlighted in red), and 6 Final V... Below the navigation bar, the 'Set Requirements' section is active. It features a 'Subject Category' header and a list of three categories: 'Technical Elective5', 'Science Elective2', and 'ICT & Technical Elective8'. Each category has a corresponding 'Requirement' input field. The first two fields contain the value '1', and the third contains '2'. A green callout box with the text 'Enter requirement' points to the 'Requirement' input fields. At the bottom right, a red button labeled 'CONFIRM & NEXT' is visible, with a green callout box pointing to it that says 'Click for next'.
